

III FREE STYLE METHOD FEEDER WORLD CHAMPIONSHIP

FORTALENY – VALENCIA – SPAIN
18TH - 19TH NOVEMBER 2023

III CAMPEONATO DEL MUNDO AGUA DULCE CEBADOR ESTILO LIBRE MÉTODO

Del 17 al 19 de noviembre de 2023
Fortaleny – Valencia – España

D. José Luis Bruna i Brotons
President of the Spanish
Federation of Fishing and
Casting

Dear Angling Friends:

As President of the Spanish Federation of Fishing and Casting, I have the honor of greeting and welcoming the athletes, captains and delegates, as well as the Fips-Ed delegates, who will meet in Fortaleny, on 18th and 19th November 2023, to celebrate the III Free Style Method Feeder World Championship.

The city of Valencia and its dynamic Provincial Council have been distinguished by their support for sport, as an activity that generates values such as effort, self-discipline, respect and its integrating social capacity, to which in sport fishing one could add specific values such as Respect for aquatic ecosystems and the natural environment, as well as its great social transversality. This tradition of promoting sports characterizes Fortaleny. For this reason, both the Spanish Federation of Fishing and Casting and the Fishing Federation of the Valencian Community feel proud and satisfied to have achieved that this world competition can be held in the wonderful facilities of the Fortaleny Controlled Fishing Zone.

The Valencian Community is a first-class tourist attraction. During these days you will be able to check its climate, its magnificent beaches, its historical monuments, and its excellent and varied gastronomy. You yourselves will see their welcome and hospitality every time the world of competitive fishing knocks on your doors.

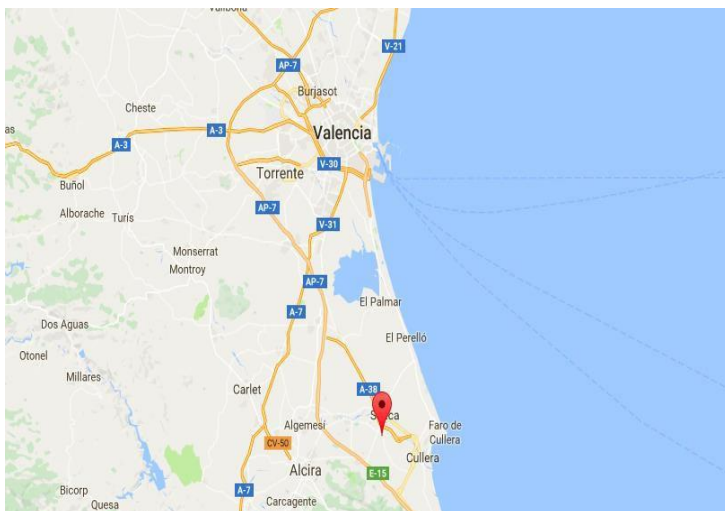

I would like to express my gratitude to Fips-Ed for granting the organization of this III Free Style Method Feeder World Championship, without forgetting the recognition and support that the Higher Sports Council has always given to our sport.

But I would not like to finish these lines of greeting and welcome without expressing my satisfaction, my appreciation and sincere gratitude to the Fishing Federation of the Valencian Community, for its dynamism, its good management and brilliant promotion of the sport of fishing, which makes it in one of the great pillars of the Spanish Federation of Fishing and Casting (FEPYC). From here I want to thank your entire organization, all its efficient and enthusiastic collaborators. This World Championship will shine with its own light, I am sure of that.

¡We look forward to welcoming you in Spain!

VALENCIA AND FORTALENY

Valencia is a city in Spain and the capital of the Valencian Community. Third most populated city in the country with an incomparable cultural, linguistic, gastronomic and tourist richness. We can get to Valencia by plane since it has its own airport or we can also use the nearby airports of Madrid, Barcelona and Alicante.

Fortaleny is a municipality of about 1,026 inhabitants located to the south of Valencia, it stands out for its well-known Z.P.C. Fortaleny, divided between "Riola" with 220 fishing grounds and the "Fishing School" zones with 100 fishing grounds, which will host the competition depending on the number of registered teams.

OFFICIAL PROGRAM

From: 13th November 2023 (arrival of teams)
To: 20th November 2023 (departure of teams)

THE COMPETITION VENUE

(In this field, please add a description of the venue characteristics (type of water venue – river, lake, basin, etc.), length, depth, etc. and put one or more picture of the venue. A map of the venue with the indication of sectors is appreciated).

VENUE

Zone “Riola”

Z.P.C. Fortaleny “Riola” 220 pegs

Zone “Escuela de Pesca FPCV”

The fishing school of the Fishing Federation of the Valencian Community is a closed area of 2,000 m² where we have come to teach classes to 220 boys and girls at the same time.

Z.P.C. Fortaleny “Escuela de pesca” 100 pags.

MAP

In yellow color the fishing areas that will be based on the registered athletes

THE FISH SPECIES

(Indicate which are the main fish species and if any local fishing restriction are in present.)

In our venue, well known for the number of national and international competitions that it has hosted, the large fish that inhabit it are characteristic, with depths between 4 and 5 meters, carp, crucian carp and bleak abound with the possibility of mullet, black bass and walleye.
